

# Dual Enrollment Program for **ALL** 9th Grade Students & Onramp to Career Pathways

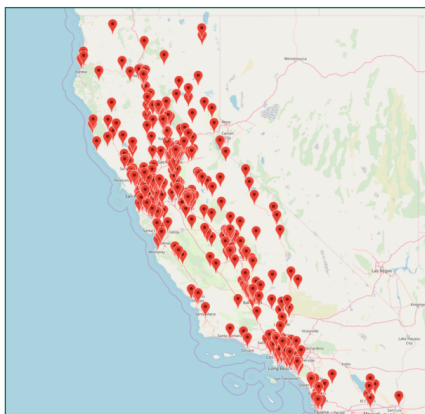

Get Focused Stay Focused (GFSF) delivers college and career readiness through a classroom-based, comprehensive guidance curriculum.

- ✓ High school students 'Get Focused' with the **3-unit course** that helps them explore:  
**Who Am I? ► What Do I Want? ► How Do I Get It?**
- ✓ Students 'Stay Focused' with GFSF Follow-Up Modules (1 unit each) in 10th, 11th, and 12th grades – *that's up to 6 total units of college credit for a full GFSF program!*
- ✓ Students create a **personalized 10-Year, Skills-Based Career and Education Plan**
- ✓ Mobile app access to My10yearPlan.com® allows students to **easily share their plans** with high school and college counselors, as well as with parents and teachers
- ✓ **A-G approved**, it also helps schools meet the **College & Career Indicator (CCI)**

Get Focused Stay Focused is used by the following California Department of Education 2022-2023 California Exemplary Dual Enrollment Schools:

- ★ **Arvin High School**, Kern High School District, Kern County
- ★ **Avenal High School**, Reef-Sunset Unified School District, Kings County
- ★ **Delano High School**, Delano Joint Unified High School District, Kern County
- ★ **McFarland High School Early College**, McFarland Unified School District, Kern County
- ★ **Mendocino High School**, Mendocino Unified School District, Mendocino County
- ★ **Rio Linda High School**, Twin Rivers Unified School District, Sacramento County
- ★ **Robert F. Kennedy High School**, Delano Joint Unified School District, Kern County

GFSF school locations in California

In the 2022-2023 school year, **more than 470 high schools and 25+ community colleges** with **over 200,000 students** enrolled annually in Get Focused Stay Focused in California.

# A Proven Strategy for Dual Enrollment Expansion: Start with **ALL** 9th Grade Students

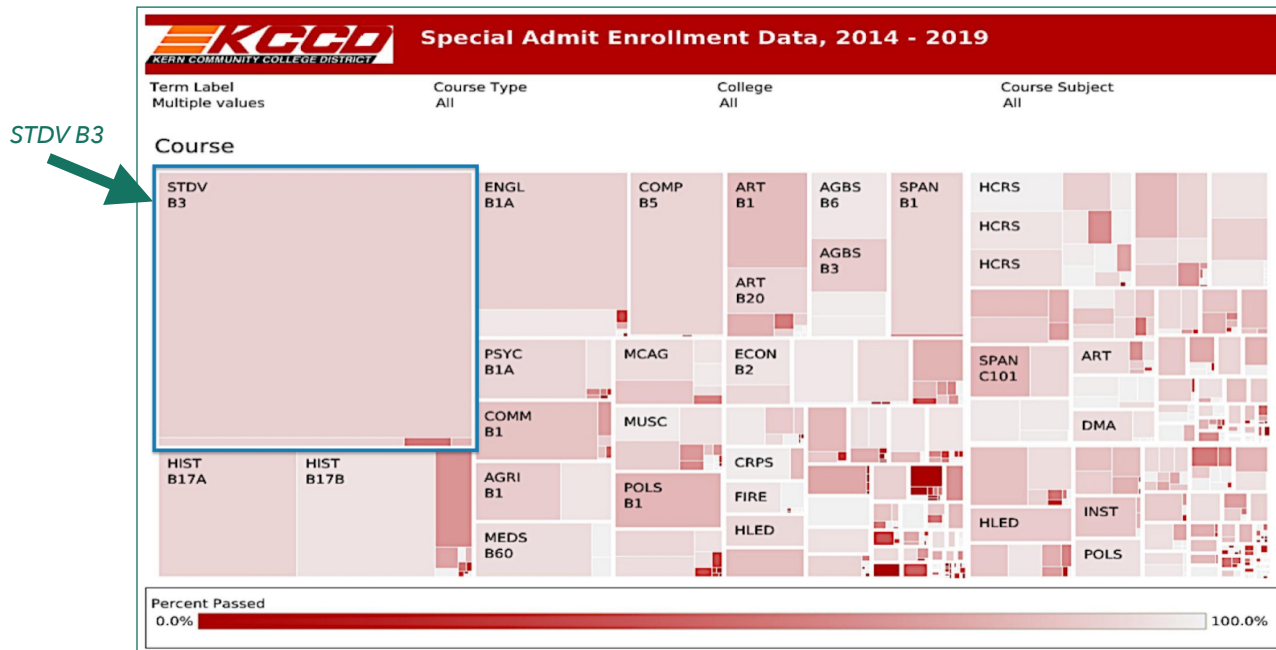

Get Focused Stay Focused (GFSF) provides a seamless dual enrollment opportunity for EVERY 9th grade student.

Offering a 'Get Focused' course to ALL 9th grade students:

- ✓ Fosters a college-going mindset.
- ✓ Helps to address equity gaps.
- ✓ Removes barriers to student success.
- ✓ Leads to increased dual enrollment participation at all grade levels.

In Kern Community College District, the 'Get Focused' course is offered as STDV B3. Many KCCCD partner high schools provide this dual enrollment opportunity to ALL 9th grade students, which drives increased enrollment in STDV B3 and other dual enrollment courses as students continue through high school.

Kern Community College District started implementing the 'Get Focused' course (STDV B3) with their partner high schools in 2016. With the foundation provided by this 9th grade dual enrollment course, KCCCD has increased Funded Special Admit Revenue from \$9,447,212 (2018-19) to \$23,079,054 (2022-23).
