

Below are estimated costs for serving a cohort of 100 students with a *Get Focused...Stay Focused!*[®] program using an online delivery model over a four-year period. Considering the results you'll experience with proper implementation, this is a remarkably cost-effective means of promoting early career exploration, college and career readiness, and the successful transition from high school to college with a student-centered 10-year career and education plan.

ESTIMATES FOR ONLINE IMPLEMENTATION SERVING A COHORT OF 100 STUDENTS
